Dear Sir,

## **Annual Report**

Thank you for requesting an Annual Report for the Church Wilne Probus Club for year ending April 2018.

First of all I am pleased to report that the Club is celebrating its Thirtieth anniversary this year with a special lunch for all members and widows of previous members.

During the past year we have had a full program of interesting talks monthly plus a number of social events and trips to which members, partners and widows are invited.

We have welcomed four new members this past year and our current membership, including Life and Honorary members, stands at thirty nine. We are a friendly group and would welcome more members.

Any persons wishing to learn more about the club or are considering joining are welcome to contact me by phone (01332 663547).

Yours sincerely

Alan Hevey  
Secretary
