Dear Sir or Madam

A52 eastbound and westbound Raynesway to Stoney Lane: essential maintenance

At Highways England, we believe in a connected country, and our network makes these connections happen. In the East Midlands, we strive to improve our major roads and motorways, to keep people moving today and better tomorrow.

I'm writing to let you know that we'll be carrying out essential carriageway maintenance work to the A52 eastbound and westbound carriageways, between the A5111 Raynesway and the M1 Junction 25. We'll resurface the carriageway and the slip roads, refresh road markings and renew road studs.

To minimise disruption to our customers, we'll work overnight while the road is less busy. This will also ensure that our road network is as free-flowing as possible during the day.

Once completed, all road users will benefit from improved road safety and a smoother carriageway.

When will the work take place?

Work is due to start **Monday 10 August 2020** and is scheduled for completion by **mid-September 2020**. We will be working overnight from **8pm to 6am Monday to Friday excluding Bank Holidays** for the following phases of work.

- A52 eastbound closed 10 August 2020 to 2 September 2020
- A52 westbound closed 2 September 2020 to 15 September 2020
- A5111 northbound closed 16 September to 22 September 2020

How will the work affect traffic?

To maintain a safe environment for our workforce and customers, we will need to close the A52 eastbound and westbound, along with the adjoining exit and entry slips, as detailed above. We may also need some occasional weekend closures.

During the closures we'll put in place a diversion route which we've agreed with the Local Authority. The carriageways will remain open outside of our working hours.

Text message information service

To receive text alerts about changes to our planned closures please text A52RWAY to 07860 057487. Messages will be charged at your standard network text message rate. To unsubscribe, please text A52RWAY STOP to the same number.

Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

Maintaining safety during Covid-19

We are working hard to maintain the road network and are prioritising critical operational activities. This will help ensure that life-saving medicine, equipment, supplies and healthcare staff can travel to where they're needed most. All our sites have strict safeguarding measures, in line with Public Health England guidance, to prevent the spread of COVID-19 and none of our sites are open to the public. All construction projects are closely monitored, and the situation is kept under constant review.

Contact us

If you have any queries about this work, please contact the appropriate Public Liaison Officer as follows:

- Day: Monday – Friday 8am to 6pm
Martin Hook 07955 877093
martin.hook@aggregate.com
- Night: Monday – Friday 6pm to 5am
Jonathan Cook 07740 934236

Alternatively, you can also keep up to date directly by contacting our Highways England Customer Contact Centre as follows:

- Email: info@highwaysengland.co.uk (F.A.O East Midlands Asset Delivery)
- Telephone: 0300 123 5000
- Twitter: @HighwaysEMIDS

Yours faithfully,

Project Manger
