Remember your face covering

Don't forget that you must now wear a face covering in shops, enclosed public spaces and continue to wear one on public transport. This includes banks, building societies and post offices.

It's important we all cover up and do the right thing to help stop the spread of the virus so we can all return back to normal as quickly as possible.

So if you're popping out for those essentials, support your local retail workers by wearing a face covering.

Remember to keep social distancing and washing your hand regularly too.

Two more libraries reopen

Two more of our libraries reopened on Monday (27 July).

Alfreton Library and Bolsover Library reopened with several temporary changes in place to keep customers and staff space.

Seven libraries have already reopened at Heanor, Matlock, Swadlincote, Dronfield, Chesterfield, Buxton and Long Eaton.

All the re-opened libraries are using a 'book and borrow' appointment only service. Find out more [here](#)

Building back better

The coronavirus crisis has had an unforeseen impact on the environment.

In his latest blog our Council Leader Councillor Barry Lewis discusses the impact of coronavirus on our aim to reduce carbon emissions across the county and how we're taking steps to bounce back from the pandemic both cleaner and greener.
